The shelves at many emergency food agencies are BARE. People in our country are HUNGRY. Seriously.. HUNGRY.

rock CAN roll, Inc., is a volunteer, 501c3, non-profit, hunger relief organization whose mission is to be a source that CAN continually restock the shelves of emergency food agencies throughout the nation.

rock CAN roll collaborates with rock concerts, schools, corporations, and private individuals to collect healthy and nutritious non-perishable food (and basic provisions) for distribution to local emergency food agencies and into the hands of children, men and women who live with hunger and poverty.

The rCr is always looking for new collaborators, volunteers, supporters and friends to help in this quest to beat hunger.
